CARE IS LIMITLESS

Expanded primary care, new specialty services, increased access to advanced care “close to home” ...all in our first year as an affiliate of Geisinger Health System

One year ago, Holy Spirit became an affiliate of Geisinger Health System and began the exciting work of collaborating to bring new services, advanced technology and added expertise to the people we serve in south central Pennsylvania. During that time, we have been focused on enhancing quality and value for our patients while remaining true to Holy Spirit’s Catholic mission and dedication to professional and compassionate healing of the body, mind and spirit.

Here are just a few of the ways we are advancing to serve you:

- **Primary care** — Our primary care network has grown substantially and will double in size by next year, with offices in Cumberland, Dauphin, Perry and York counties.
